## Stay put in your frame, Mr. Withers!

IN HIS DAY, Mr. Withers was considered a very able life insurance agent

Now he gives competent advice on how to arrange your life insurance to take care of all the money problems that arise in connection with protection and

These problems are more complex than they were in Mr. Withers' time. And there are many more kinds of policies available. Thus your agent's help is even more necessary in order to build a sound, well-balanced life insurance programme.

Today more than a million Canadian families have benefitted from the experi-ence and advice of the life insurance agent!

A helpful citizen in your community

A few other highlights of the Company's 1946 annual statement are: the net rate of interest earned on total assets reversed the trend of many years and increased from 2.94% in 1947 to 3.03%; in line with the experience of business generally, there were some increases in expenses; the rate of mortality was slightly lower than in 1947; the lapse rate was one of the best on record; and new Life insurance issued during the year was \$2,904,157,071, The amount held for dividends payable to Metropolitan policyho in 1949 totals \$152,067,254.

Metropolitan investments continued in 1948 to serve various sections of Canada and the United States and the economy of both countries. The Company is interested in making loans, to either individuals or corporations, which meet the legal requirements.

be found in its Annual Report to Policyholders, which will

## SOME FACTS ABOUT METROPOLITAN'S OPERATIONS IN CANADA

These highlights of the Company's business in the Dominion during 1948, our 16th year in Canada, will be of particular interest to Metropolitan's Canadian policy-holders and their beneficiaries.

tropolitan paid in 1948 to its Canadian policy-ters and their beneficiaries \$38,815,091 in death ms, matured endowments, dividends and other pay-ta. Of this, 70% was paid to living policyholders.

The total amount the Metropolitan has paid to Canadians since it entered Canada in 1872, plus the amount now invested in Canada, exceeds the total premiums received from Canadians by more than \$352,000,000.

#### Life Insurance in Force

In 1946, Canadians bought \$205,932,746 of new Life insurance protection in the Metropolitan, bringing the total of the Company's Life insurance in force in Canada to \$2.241,526,646 at the year-end. This amount is made up of 57% Ordimary, 30% Industrial and 13% Group.

#### Total Investments in Canada

Metropolitan's total investments in Canada amount-ed to \$556,741,420 at the end of 1946. The Company's dollars are at work throughout the Dominion . . in practically every phase of production and distribution . . helping to produce more goods and create more jobs for more people.

During 1948, a total of 222,687 nursing visits was made to those insured under Metropolitan Industrial. Intermediate, and Group policies in Canada; over Zmillion pamphlets on health and safety were distrib-uted, and the Company took part in 49 Canadian
